What is Business Package Insurance?

Business Package Insurance protects your business against a broad spectrum of risks.

Business Package Insurance is an effective insurance solution covering your business for financial, legal and reputational damage.

The flexible insurance package has multiple cover options, providing cost-effective insurance for your business.

For more information contact MBIB Ph: 1800 150 888

What cover options are available in a Business Package?

- Business Interruption** - Loss of income and other additional costs caused by the interruption to your business following an insured loss under the Property section.
- Property** - Damage to your property at the business location.
- Glass** - Breakage of internal and external glass and signs.
- General Property** - Australia wide cover for portable items such as tools, equipment and electronic devices.
- Liability** - Legal liability to pay compensation for third party property damage or personal injury. Cover also includes legal costs and expenses to defend a claim.
- Theft** - Theft of stock, materials and general contents.
- Employee Dishonesty** - Loss of property due to employee fraud.
- Tax Audit** - Costs incurred by your accountant or tax agent arising from an audit or investigation into your business or personal tax affairs by the ATO or a Commonwealth, State or Territory Department.
- Computer and Electronic Equipment** - Damage and breakdown to computer systems and electronic equipment including cover for business interruption.
- Money** - Theft or loss of money.
- Machinery** - Damage to plant and machinery caused by breakdown.
