COVER FOR

- Internal fraud
- External fraud
- Theft
- Loss of money and assets

What is Crime Insurance?

Crime Insurance protects businesses of all sizes against financial loss due to the illegal activities of employees and third parties.

The amount of cover matches your risk exposure, taking into account worst-case scenarios. The excesses may be varied to reflect your ability and willingness to accept risk.

Cover can be arranged on a stand-alone basis or as a section of a Management Liability policy depending upon the size and complexity of your business and your risk profile.
